

UBC SAUDER
SCHOOL OF BUSINESS

2015/2016 Donor Impact Report

## Transformational Growth

"Know that your generosity helps strengthen the culture of philanthropy and volunteerism in the UBC Sauder community, and for that I am truly grateful."

Thank you for partnering with us over the past year to help the UBC Sauder School of Business further its mission to develop transformational and responsible business leaders for BC and the world. With the generous investment and involvement of our donors and alumni, you are helping shape the path of a young person's life as well as the future of business.

The economic and social transformation we are witnessing around the world presents enormous challenges as well as opportunities. Great business schools must foster the talent and ideas that will guide our future well-being.

With your support and through our shared commitment to excellence and

innovation in business education, together we help create new knowledge and inspire greater collaboration between the private and public sectors to address some of the key issues facing local and global communities. We also help our students develop the values-based leadership, creativity and entrepreneurial thinking that will drive positive change for decades to come.

Our 2015/2016 Donor Impact Report demonstrates the difference your giving makes. This year, we are taking a multichannel approach to communicate the impact of your support that will include video- and web-based stories we will share with you throughout the year.

In the coming weeks and months, you will learn more about how your contributions enrich the student experience, advance research excellence, and help businesses and communities here and around the globe to thrive. For now, in this abbreviated report, I invite you to review some key results of the past year.

On behalf of everyone at the school, thank you for taking the opportunity to work with us to make a positive difference. Know that your generosity helps strengthen the culture of philanthropy and volunteerism in the UBC Sauder community, and for that I am truly grateful.

Thank you.

## **Robert Helsley**

Dean, UBC Sauder School of Business Grosvenor Professor of Cities, Business Economics and Public Policy With generous gifts from our donors, UBC Sauder has been able to make an impact in several areas to:

Encourage the development of a new generation of Aboriginal business leaders through the G.J. Elliot Aboriginal Student Awards

Inspire, enable and empower outstanding women in business through the Hoegg Family MBA Scholarship and the Jack and Mary Stone Award for Women in Business

Propel social entrepreneurship and innovation at UBC and within the broader community through the creation of the new e@UBC Impact Fund, launched with support from the David and Dorothy Lam Foundation as founding donors

Better prepare students for the global innovation economy through new career curriculum and programming

Support future leaders and a healthy active community through student athlete awards established by UBC Sauder alumnus Peter Antturi
